

Ece Su Boy

Aspiring Back-End Developer

📍 Küçükçekmece/İstanbul 📞 +90 551 148 76 58 @ boyecesu@gmail.com 🔗 <https://github.com/EceSuBoy>

Summary I am a senior Computer Engineering student with a strong interest in backend development. I have a solid foundation in programming and database management. My academic journey has equipped me with problem-solving abilities and a keen interest in backend architecture and API development. I am seeking an internship opportunity to expand my expertise, contribute to meaningful projects and learn from experienced professionals in the field.
